How can I withdraw money?

To withdraw money please create a withdrawal request. You can withdrawal any amount from your balance to your bank card, Skrill, Neteller, Webmoney, Yandex.Money, Qiwi.

How long withdrawal requests are processed?

Withdrawal requests are processed in one workday.

Is there any withdrawal fee?

We don't take any fees. The commission may be charged by a payment system for the processing of transactions.

What is minimum amount for withdrawal?

Minimum withdrawal amount is \$10

Which payment methods are available for withdrawal?

First withdrawals have to be made to bank card or e-wallet which was used for making a deposit. In case of withdrawal to bank card amount of withdrawal has to be equal to deposit amount. Other funds (revenue) you can withdraw to any e-wallet (Skrill, Neteller, UnionPay, or any other method)
